P. O. Box 509 • Staten Island, New York 10314

Aug. 30, 1982

Dear Brothers and Sisters for Peace,

We are exchanging with various peace groups throughout the state information in what is happening in the movement to stop the arms race, transfer funds from the military budget to human needs, stop the oncoming draft and prosecution of draft resisters, prevent U.S. military intervention in Third World countries in support of repressive regimes, reduce multi-national corporate control of U.S. Foreign Policy, support actions in solidarity with those people struggling for national liberation throughout the world, etc.

Please place us on your mailing list and we are doing likewise with your group.

Hoping to coordinate our efforts towards world peace with economic, social and racial justice.

In Solidarity,  
Angelo D'Angelo  
Coordinator
