VOTE FOR CHRISTOPHER HELALI – COMMUNIST PARTY (PCUSA)

The United States of America is the richest country in history. How is it that we are such an unequal society where millions are homeless, hungry, and in poverty?

The answer is capitalism.

THE SOLUTION IS SOCIALISM!

1. The U.S. Empire is in decline. We must end U.S. imperialism and abolish NATO!
2. We must abolish the military-industrial complex and move from a war economy to a peace economy!
3. NO to the F-35 in Vermont!
4. No to a new Cold War with China and Russia!
5. Free Palestine! End the Sanctions!
6. People and Planet Before Profits!
7. Demilitarize the Police!
8. End the Patriot Act and Surveillance State!
9. End Racism! Women's Rights!
10. LGBTQ2S+ Liberation!
11. Free, high quality healthcare, education, and childcare! Cancel all student loans and debt!
12. Jobs for Everyone!
13. Break up the Monopolies and Large Agribusinesses!
14. Full state support for small & medium sized farms!
15. Transition to fully supported sustainable, regenerative, carbon sequestering, and organic farming. NO GMOs!

The Climate Emergency, along with nuclear weapons, are the most existential issues facing humanity and the planet. To mitigate the catastrophic effects from climate change, we will need to move to a socialist economy.

We need more than a Green New Deal.

We need to transition to a completely new economic system. Incrementalism will not save us and other species on this planet.
