FOR PEACE & JUSTICE

P. O. BOX 509 • STATEN ISLAND • NEW YORK • 10314

June 21, 1976

Dear friend:

Not long ago the action of the American people forced an end to the Vietnam War. People's action brought peace!

Today world peace is endangered, as the arms race proceeds at a mad pace, despite the existence of enough atomic weapons to destroy our entire civilization.

We cannot remain silent! We believe it is vital for our government to pursue a policy of detente. We believe detente is the road to slowing the arms race, to stopping the agonizing drift towards war.

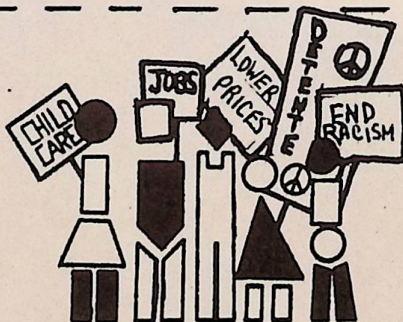

Detente can become a reality only if we, the people, put pressure on our government. YOUR voice is important.

We are planning an active campaign for peace. Won't you join us in our first meeting on Sunday, June 27th at 7:30 P.M. at Jean Maltz's, 70 Rice Ave. (off Manor Rd.) We will have a guest speaker from the U.S. Organizing Comm. for the World Peace Council on the topic "Detente — Ban it or Build it".

for Peace and Justice.
