

The party itself will feature live entertainment performed by S.I. musicians active in the peace & justice movement who are donating their time and talent to help make this benefit a success. There will be plenty of hot delicious food and varied types of beverages for all. As a special treat, Mike Tormey will be showing his slides of his recent trip to the Soviet Union, as an observer at the 12th World Festival for Youth & Students United for Peace.

While this event guarantees a good time for all, it is also an important gathering to re-juvenate our efforts in the important cause of peace and justice here in our own backyard and throuout the world.

If you plan to join us, please call by phone, 979-6563. However, if you are unable to attend, all donations are welcomed and needed.

ALSO, MEMBERSHIP RENEWALS and NEW MEMBERSHIPS are extremely necessary for the S.I. COUNCIL for PEACE & JUSTICE to remain and become an even stronger voice for Peace in our community. From 1968 thru 1985, we have been a continuous, consistent vehicle for social change in regards to the issues of peace and justice. HELP US MAKE 1986 ANOTHER MILE ON THAT ROAD TO OUR GOAL.

**With best wishes this holiday season
and gratitude for your support,**

the Executive Committee

Mike, Angelo, Ruth, Ron, Cinderella, Tommy
and Walt

STATEN ISLAND REGISTER, December 30, 1985
THE WEEKLY COMMUNITY NEWSPAPER OF STATEN ISLAND

The S.I. REGISTER reported on the top news stories of 1985 that have occurred on S.I. on the front page of its Dec. 30th issue.

At the head of the list was the huge anti-Navy port march and rally on June 8th in South Beach, S.I. Various groups, many of which had galvanized around the S.I. Disarmament Campaign COALITION, participated in that historic event.

Photo at left shows the contingent of the S.I. Council for Peace & Justice in the line of march.

YEAR
1985

P.S. - Don't forget that the Navy Dept. has released a Draft Supplemental Environment Impact Statement (SEIS) on the proposed Nuclear Base in Stapleton. This document deals primarily with the "need" to construct housing for Navy Base personnel in Staten Island and the rest of New York City. This at a time when tens of thousands of homeless are in need of descent housing. The Navy has scheduled a public hearing at the Sunnyside Campus of the College of S.I. on Monday, Jan. 27th from 2pm to 5pm and 7pm to midnight in the auditorium.

It's vital for all S.I. peace activists to attend and participate in the hearings and vocally show their opposition to the establishment of a Nuclear Base on our island.
