"We initiate struggles, we organize struggles, and we lead struggles. And we have been doing it for 75 years."

"In a society willing to build jails, but not provide jobs, the Party and YCL is the way to fight back and to make revolutionary change."

"The corporations have pushed the system to the brink. After 500 years, capitalism hasn't solved any basic needs of the people. We need a socialist system."

"Socialism will make our country better. Children wouldn't go hungry. There wouldn't be homelessness in the street. There would not be unemployment."

"Socialism is a long term struggle, but we shouldn't see it as way off in the distant future."

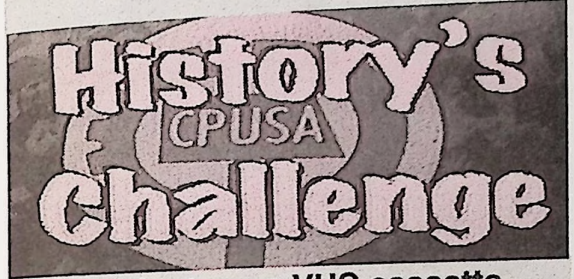

"History's Challenge" is a video capturing the great history and new growth of the Communist Party USA (CPUSA) and Young Communist League (YCL). Why wait for the revolution? Order your video today.
