Dear Friend,

As you may already know there is a tremendous effort in action for the Aug. 27th March on Washington. We desperately need contributions in order to provide a most efficient distribution of leaflets to our communities, as well as posters, and adequate monies for buses already reserved to meet the demands of this large city.

Remember, a couple of dollars goes a long way so please put something in the mail today! Any contribution is appreciated.

Enclosed are the departure and arrival locations. Should you have any problem call me, Pat Williams at the USPC office, 7 East 15th St., #989-1194.

All checks should be made out to the Aug. 27 Transportation Fund.

Our next NYPC meeting will be held here in the office. Aug. 2 - 6:00 sharp, Tuesday evening. We welcome your attendance and offerings. So do feel free to come and participate.

We will be meeting in Washington as a contingent and need volunteers to come and help make posters. Once again you can get in touch with me to make arrangements.

Thanks so much for your time. I will be looking forward to hearing from you.

Sincerely,

Pat Williams
